Kitigàensag - Plot Application Form

The GSA Community Garden

Kitigàensag, Algonquin for “little gardens,” is a place for students, staff and faculty to come together to grow and enjoy healthy, socially just, and sustainable food. All members of the Carleton community are invited to apply.

The garden is located at the southeast corner of the Nesbitt building, beside the River field (where the GSA softball league is held). Plots will be ready for planting in May 2018, and the average plot size is 4 by 6 feet.

We aim to accommodate as many participants as possible. Depending on the number of applicants, plots may be allocated through a lottery system.

Successful applicants must be in the Ottawa area and commit to maintaining their garden plot beginning in May and continuing through September at a minimum (the garden will remain active through October). If an applicant is not able to commit to maintaining their plot, it is recommended that the applicant share the plot with others.

Applications are due at noon on Friday, April 7 and can be submitted in hard copy to the GSA office or via email at garden@gsacarleton.ca.

The following pages are to be completed by the applicant(s), please print legibly:

PERSONAL INFORMATION

FULL NAME	STUDENT NUMBER (IF APPLICABLE)
LOCAL STREET ADDRESS	CITY
PROVINCE	POSTAL CODE
PHONE	EMAIL ADDRESS

2. Will you be gardening your plot alone, or will you be sharing the plot with one or more people?
